7.1 Racing will be held in Southern Narragansett Bay primarily between Jamestown and Newport. The Starting and Finishing Areas will be between Rose Island, Goat Island and the North tip of Fort Adams. The Race Committee may display Code Flag "L" and lead contestants to another starting area if racing conditions so require.

8. THE COURSES

8.1 The IYAC Series courses are defined in the 2021 - 2023 South Bay Race Chart, prepared by Sail Newport and designates the marks referenced on the course list. A limited number of complimentary copies of this chart will be at IYAC to registered paid entrants.

8.2 Fixed Courses: The Race Committee boat will display the courses as numbers or letters to be read left to right where the left-most digit (letter) designates a class and the following digit(s) identifies the course for that class. This course number translates to a set of marks to be rounded, the order in which they shall be rounded, and the side to round each mark, as listed in section of South Bay Race Chart.

8.3 Special Courses: A special course may be specified by the Race Committee utilizing the government marks and special race marks listed in this circular (and on the South Bay Race Chart). The turning marks (to the right of the class designation) will be identified in the order in which they shall be rounded and the side to round each mark.

8.4 The Race Committee may shorten the race by stationing themselves, or another Race Committee boat displaying Code Flag S, at one of the marks of the course. The finish line shall be between the mark and the Race Committee Boat with the mark to be passed on the side as called out by the course.

8.5 The Race Committee may elect to run more than one race per evening.

8.6 The Race Committee will attempt to contact all competitors by VHF and notify of any/all course information.

9. MARKS

9.1 Turning Marks: Turning marks will be designated as noted on the Course Chart. Special Racing Marks A and B are yellow plastic barrels. Marks C and D are yellow spherical buoys. Mark Z is a yellow cylinder with the letter "Z" thereon. Mark 15 is a yellow cylinder, with "15" painted on two sides.

10. AREAS THAT ARE OBSTRUCTIONS

10.1 Competitors may use only the center span of the suspension section of the Newport Pell Bridge.

10.2 A boat shall not sail between Rose Island and the Newport Bridge nor between the Dumplings and Conanicut Island.

11. THE START

11.1 Races will be started by using Rule 26. First signals will be at 1800 for races up until August 1, all races after this date will start at 1730. The Race Committee may, but is not obligated to, sound a series of short blasts approximately 30 seconds before the first signal. No timing should be made from these blasts; they are merely to alert competitors that a warning signal is about to be sounded.

11.2 Succeeding Classes will be started in numerical order, 1, 2, 3 etc, with the warning signal for each succeeding class made after the starting signal of the preceding class. EACH STARTING SEQUENCE SHOULD BE TIMED INDEPENDENTLY AND NOT FROM THE SIGNAL OF A PREVIOUS CLASS.

11.3 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other races.

11.4 The Race Committee will endeavor to identify recalled boats by broadcasting their sail numbers on the IYAC Racing VHF channel. Failure of a boat to hear her recall notification shall not be caused for redress.

11.5 General Recalls: The last sentence of The Racing Rules of Sailing Rule 29.2 is replaced by this paragraph. A recalled class will not start until after all subsequent classes in the original starting sequence. The warning signal for the recalled class will be sounded APPROXIMATELY one minute after the start of the last scheduled class. If there is more than one general recall, class order will be maintained with the warning signal of each general recalled class being sounded APPROXIMATELY one minute after the start of the previously recalled class.

12. THE FINISH

12.1 The finish area will be in the vicinity of the starting area. It is the intention of the Race Committee to finish the race in the area defined in section 7 of this document. The finishing line will be between the Race Committee Boat and a mark. This mark may be a government buoy, yellow special racing mark (9.1), or an inflatable race mark. The last leg may be either upwind or downwind.

12.2 After clearing the finish line do not re-cross the finish line. If a competitor interferes with another boat's finish, he/she is subject to protest by the Race Committee.

13. PENALTY SYSTEM

13.1 The first sentence of rule 44.1 is altered so that "One-Turn Penalty" replaces "Two-Turns Penalty."

13.2 At the first reasonable opportunity, a boat which accepted a One-Turn Penalty shall report that fact to the Race Committee on the IYAC Racing VHF Channel and identify the boat infringed against. This changes Rule 44.

14. TIME LIMITS AND TARGET TIMES

14.1 The time limit will be 2 hours from the class starting time.

15. PROTESTS AND REQUESTS FOR REDRESS

15.1 In addition to the requirements of The Racing Rules of Sailing, Rule 61.1, Informing the Protestee, the protesting boat shall inform the Race Committee of the protest and of the boat being protested, as soon as possible after finishing, either in person or via race area VHF Channel.

15.2 Protests and Requests for Redress shall be made in accordance with The Racing Rules of Sailing, Part 5, Section A, Protests; Redress; Rule 69 Action. The Protest shall be written on a copy of the Protest Form found in The Racing Rules of Sailing and shall be handed in to the Race Committee within 1 hour of the docking of the Race Committee Signal Boat, at the IYAC. We encourage competitors to resolve any infringement of rules on the water. When in doubt, do your turn.

16. SCORING

16.1 The low point scoring system, Appendix A, A4 (Low Point and Bonus Systems), will be used and is modified by the rest of this paragraph. The following results; DNC, DSQ, DNF, DNS, OCS and RET (see Appendix A, A11 Scoring Abbreviations), will be scored points for the finishing place one more than the number of boats that came to the starting area (including those scored as OCS and DNS) in that boat's race. There will be throw outs to be determined by total number of races run for the Season and One Design designated series. Worse scores are not discarded when prohibited by Rules 30.3, 69.1 (b)(2) and 90.3 (b) of the Racing Rules of Sailing. Only one DSQ may be thrown out per series.

16.2 VX One and Thistle Classes will be scored as individual classes. Any other Sportsboats that are entered will be scored under PHRF.

16.3 Results: After each race, the results will be posted in the IYAC.

16.4 The intention is to count a minimum of 10 races for the series.

16.5 A boat which has not paid the prescribed entry fee will not be scored and will not be eligible for prizes.

17. SAFETY REGULATIONS

17.1 Check-In and Check-Out: Each boat should sail by the Race Committee before the preparatory signal to identify by voice the boat sail number and class in which it will be racing.
